

Run through the Hakusan Tedorigawa Geopark, taking in the views of the sacred Mt. Haku, and passing through the World Heritage Shirakawa-go village featuring traditional buildings with steep thatched roofs.

The 7th Hakusan Shirakawa-go Ultramarathon. Start from Shirakawa-go village, alive with tradition and people's livelihoods, and traverse the 33.3km Hakusan Shirakawa-go White Road.

The Hakusan Tedorigawa Geopark lets you experience for yourself diverse cultures, born from the rich natural environment, influenced by the land and climate formed during the long, magnificent history of our earth.

An event boasting some of Japan's most awesome scenery. Will you accept the challenge?
